Comments: Just hired a fulltime trainer! Still have openings for drivers. Looking at funding for volunteer drivers for Mobility. Will meet with MDOT about possibilities. RCTA still providing free package delivery, ie scripts, grocery pick up, food give-a-ways. Some counties are using transits to drive nurses to administer vaccines to homebound clients. Last month RCTA delivered over 253 packages.

There is a new phone system. It is a VOIP system.

LAC Members agreed to be listed on RCTA website.

Meeting adjourned at 12:46 pm.
